## Amanda Lear, Back To Black

He left no time to regret, kept his dick wet With his same old safe bet Me and my head high and my tears dry Get on without my guy You went back to what you knew so far removed From all that we went through And I tread a troubled track, my odds are stacked I'll go back to black We only said goodbye with words I died a hundred times You go back to her And I go back to, I go back to us I love you much, it's not enough You love blow and I love puff And life is like a pipe And I'm a tiny penny rolling up the walls inside We only said goodbye with words I died a hundred times You go back to her When I go back to We only said goodbye with words I died a hundred times You go back to her And I go back to Black, black, black, black Black, black, black I go back to I go back to We only said goodbye with words I died a hundred times You go back to her And I go back to We only said goodbye with words I died a hundred times You go back to her And I go back to black
