Give a bit of hm to me,
and I'll give a bit of hm to you.
Give a bit of hm to me,
and I'll give a bit of hm to you.

And your eyes like a laser,
every time cut me deeper.

Give a bit of hm to me,(you're a mystery)
and I'll give a bit of hm to you. (it's so confusing)
Give a bit of hm to me,(you're a mystery)
and I'll give a bit of hm to you. (it's so confusing)

For me, you are an enigma,
For me, you really are a mystery...
A mystery (a mystery)

For you, I break all the rules
And for you, I'll go to the moon,
'Cos you're the one
There's no one else.
There's no one else.

Chorus

Are you devil or angel?
Are you question or answer?

Are you real, or am I dreaming?

Chorus
