

Amanda Marshall, I Believe In You

Its time to let you go; its time to say Goodbye
No more excuses; no more tears to cry
There's been so many changes; I was so confused
All along you were the one; all the time I never knew.
I want you to be happy; you're my best friend
But its so hard to let you go now; all that could have been
I'll always have the memories; she'll always have you
Fate has a way of changing; just when you don't want it to
Throw away the chains; Let love find a way
Till love comes again, I'll be OK!
Life passes so quickly, you've got to take the time
Or you'll miss what really matters, you'll miss all the signs
I've spent my life searching, for what was always there,
Sometimes it will be too late, sometimes it won't be fair.
Throw away the chains, Let love fly away
Till love comes again, I'll be OK!
I won't give up... I won't give in...
I can't re-create what just might have been,
I know that my heart will find love again
Now is the time to return....
Throw away the chains, Let love find a way
Till love comes again, I'll be OK!
Can't go on forever, baby; I can't go on forever, baby...
Can't go on forever, baby... yeah...; I'll be OK!
