

# Amanda Palmer, Oasis

when i got to the party they gave me a forty  
and i must have been thirsty  
'cause i drank it so quickly  
when i got to the bedroom  
there was somebody waiting  
and it isn't my fault that the barbarian raped me

when i went to get tested i brought along my best friend  
melissa mahoney (who had once been molested)  
and she knew how to get there  
she knew all the nurses; they were all very friendly  
but the test came out positive

i've seen better days but i don't care  
'cause i just sent a letter in the mail

when i got my abortion i brought along my boyfriend  
we got there an hour before the appointment  
and outside the building were all these annoying  
fundamentalist christians; we tried to ignore them

i've had better days but i don't care  
oasis got my letter in the mail

when vacation was over  
the word was all over that i was a crackwhore  
melissa had told them  
and so now we're not talking except we have tickets  
to see blur in october and i think were still going

i've seen better days but i don't care  
oh, i just got a letter in the mail  
oasis sent a photograph it's autographed and everything  
melissa's gonna wet herself i swear
