

# Amanda Perez, I Pray

You know with each day that passes by  
I pray to God I'll never forget you  
You mean everything to me  
I love you

I pray..ooohhooo  
ohh I pray yeaa  
mmm

You were in my dreams before I even knew  
there was a you and me  
Now I can't wait to see your smile  
When I wake up each day it makes it worthwhile  
With the kind of love you plant inside  
especially with a heart so empty as mine  
all the soft tenderness is the one thing I don't want to miss

(Chorus)  
I pray when its time for me to say goodbye  
I'll never forget looking in your eyes  
I pray that I'll feel your touch  
and that God doesn't forget about our love  
I pray when I close my eyes  
I can still see visions of you on my mind  
I pray that I'll see you in another life  
I pray that your still by my side  
Oohh I pray...

Everything that you gave to me  
only comes in a fantasy  
It seems like life goes so fast  
but in this time I wanna make it last (I pray)  
I hate that we live to die  
but only God knows why (I pray)  
We all have a purpose  
and to see you again it'll be worth it

(Repeat Chorus)

I wish that I can stop time  
I wish that I could rewind  
to the very beginning of every second of my life  
To ask God on my hands and knees  
to never let me forget all my special memories  
see I'm only promised today  
and if it's my time to go  
I don't want the love of my life to ever fade away  
(Oooohhhooohoo)  
So one last time  
let me open my eyes  
to see what my life used to be like  
Oh God...

(Repeat Chorus)
