

Amanda Perez, If I Open Up My Heart To You

verse 1

its still too soon to call it love
but i know its more than just a crush
were gettin closer everyday
and when u look at me dat way
all i can say is

chorus

if i open up my heart to you
i just need to know you feel it too
will u be the one to make my dreams come true
if i
if i open my heart to you

verse 2

i got a feeling this could be
something about it i never seen
you are on my mind night after night,
something keeps tellin me its alright
so give me a sign

chorus

verse3

you could be everything that i needed
but i can take that chance
tell me now that your with me
tell me now what your feeling
so that i know where you stand

will you be the one to make my dreams come true
if i
if i open up my heart to you
