

# Amanda Perez, Never (Let You Go)

(yea, OooOooOoo)

You walked into my life, when I was down and out.  
Took away my pain and gave me your smile.  
And at the time, still lovin someone else.  
Not knowin'all those crazy reasons why I felt the way I felt.  
And then one day, I realized.  
That you were the one for me  
I was so blind. But baby now I see

Chorus:

And I'll never let you go, no, no, no  
I love you so  
And I'll get on both my knees and I'll beg you please  
Would you spend the rest of your life with me?  
Cause I never, babe  
Wanna let you go  
No, I'll never, babe  
no, no, no ,no, no, no, no

I wish that I could turn back the hands of time  
Cause if I would've knew your love was like this.  
Back then I would've made you mine, oh yeah.  
If I had to die a thousand times a day,  
I would do it for you just to take  
The pain that I have given you away.  
Cause I love you and I never want to let you go

Chorus

Bridge:

I'm sorry (oh yes i am)  
I'm sorry (I'm so sorry baby)

Chorus 2x

Oooooooooooooo Oooooooooooooo
