

Amanda Perez, Never (Let You Go)

(yea, OooOooOoo)

You walked into my life, when I was down and out.
Took away my pain and gave me your smile.
And at the time, still lovin someone else.
Not knowin'all those crazy reasons why I felt the way I felt.
And then one day, I realized.
That you were the one for me
I was so blind. But baby now I see

Chorus:

And I'll never let you go, no, no, no
I love you so
And I'll get on both my knees and I'll beg you please
Would you spend the rest of your life with me?
Cause I never, babe
Wanna let you go
No, I'll never, babe
no, no, no ,no, no, no, no

I wish that I could turn back the hands of time
Cause if I would've knew your love was like this.
Back then I would've made you mine, oh yeah.
If I had to die a thousand times a day,
I would do it for you just to take
The pain that I have given you away.
Cause I love you and I never want to let you go

Chorus

Bridge:

I'm sorry (oh yes i am)
I'm sorry (I'm so sorry baby)

Chorus 2x

Ooooooooooooo Ooooooooooooo
