

# Amanda Perez, Take All My Love

oohh

take my love

talk to me thats the only way i can find out what going on  
finally we can be ourself we don't have to be alone  
i'm giving you the liberty to make me feel good  
i can make you feel good to i got a hold on you  
you got me torn into

chorus

why don't you take my love and run with it  
all around the world and then back again  
why will you walk when you can run with it  
baby take all my love take all my love

when you smile at me the whole world stop  
and i forget breath  
suddenly we can be ourselves we don't ever have to leave  
ain't no mistake you can't go wrong  
a love like this don't come along  
i've got a hold on you  
you got me torn into

chorus

ohh

why don't you take my love and run with it  
all around the world and then back again  
why will you walk when you can run with it  
baby take all my love take all my love

baby close the door and grab a hold on me  
so tight so right so good on my  
i can feel you so deep inside of me  
so please tell me why don't you  
why don't you take my love

chours

why don't you take my love and run with it  
all a way around the world and then back again  
why will you walk when you can run with it  
baby take all my love take all my love  
repeat

take all my love ohh ohh ohh  
take my love umm umm
