What Is Love

I told you I didn't love you  
Now I don't know if that's true  
I'm scared to throw away our history  
I want to try to make it last  
I'm just scared to be without you  
I don't want to forget our past  
I don't want to give up  
We've gone through too much  
I don't want to lose the "us"  
I don't want to forget your touch

You asked me what our love is  
And I told you I didn't know  
I'm still not sure  
But I don't want you to go

I need you to walk beside me  
No one can take your place  
If you are not walking with me  
Who will wipe the tears from my face  
I know there's no one else out there  
Who can care as much as you  
I don't know why I thought there was  
No one else can be so sweet, loving, and cute

You asked me what our love is  
And I told you I didn't know  
I'm still not sure  
But I don't want you to go

But as I sit here alone and confused  
I don't know what to do  
I have no one to hold me  
No one to talk to  
If only you were here right now  
I'd tell you what's in my heart  
I'd tell you this has taught me  
That we can't be apart

I thought I didn't know what love is  
But now I think I do  
I know all this has taught me  
That love is me and you
