

Amaseffer, Burning Bush

[Hebrew text]

-"There the angel of the LORD appeared to him in flames of fire from within a bush. Moses saw

I've learnt of brimstones
I've learnt of ambers
But a thing like this
Is far beyond what I've learnt to know
A sorcery of some origin
An ancient force
A flame that keeps to grow

Unburning flame
Undying knowledge
Inflamed can't be this fiery perception
Embrace the strength
Bow and acknowledge
To answer the uncalled Hebrew question

[Hebrew text]

-"When the Lord saw that He had gone over to look, God called to him from within the bush&

Recreating everything in every single word
In awe I knee before the ruler of the world
I'm but a shepherd, I cannot lead no man
I won't defy the voice, but I cannot understand
If truly you are God, If you can see inside my soul
Who am I to stand against the Pharaoh, and who am I at all?

Who am I at all?

On this forsaken mountain nothing is mundane
This voice is telling me of a land forgot by men
My lord has spoken true, His words sculpture my heart
The warrant is superb, indeed the high command
Even as a stammerer your distant voice be heard
Now I'll leave my home and gather all my herd

[Hebrew text]

-"So now, go. I am sending you to Pharaoh to bring my people the Israelites out of Egypt&qu

Unresting fire, the sacred flame of God
From this moment on to you my lord I vow
A holy cleansing, secular shell being shed
As instant as a heartbeat, I'll follow his command

I'll follow his command

I'll follow his command
