

# Amaseffer, Midian

I was born into the unknown  
Don't know who I am  
But they say I'm the chosen one

Not knowing how my people suffer  
I hear their cry for deliverance  
With each brick stone they build  
I reach out, I'm the only one

My heart goes out for you  
Bless you my brothers  
May the holy light shine on you

I'll take your life  
By sticks and stones I'll die  
My hate will bring my end

Feel the power of a man possessed  
Like a blood thirsted daemon  
Won't let go

Only one will be victorious  
The last man who's still standing  
I shall prevail  
No way!

What are you fighting for?  
Blood!

Rage and hatred will remain  
In our soul!

A silent scream inside of me  
What have I done  
Blood stains on my hands  
Contaminate my soul  
Eliminate my goals  
If I could find a solace  
It would comfort me

Finding peace within my rage  
Lost in my world  
Will it crumble down on me?  
Someone save me please!

(Slave masters:)  
[Hebrew text]  
(\*He killed the officer! He killed the officer! Catch him! Catch him!)

I see the burning eyes  
Chasing me into the night  
Follow me as I run away  
No one to lead the way to paradise  
let not such act to be in vain

The stars won't shine  
Moon turned to black  
Will I ever be able to go back?  
The night is falling down on me  
In my anguish I cried to the lord  
And he answered by setting me free

And if the day will come  
That I stand before you

I'll show my atonement  
Ask for forgiveness  
For I am a sinner  
My spirit will ever be scarred
