

# Amazing Device, My Saving Grace

I'm weakening  
and I don't know how much more of this world I can stand

Inject into me  
Flowing through my blood stream

Now I can't go out in the condition that I'm in  
With my eyes rolled back and my heart pounding  
The hallucinations start  
and their leaving their marks.....Your needles in my arms

Kill the ache inside of me  
For the sake of sanity  
My amphetamines  
(Now I can't go out in the condition that I'm in)  
Kill this craving for my saving grace

Hemorrhaging  
The blood is rushing  
I'm alittle dizzy, I'm alittle dizzy now  
I can't go out in the condition that I'm in  
With my eyes rolled back and my heart pounding  
The hallucinations start  
and their leaving their marks  
Your needles in my arms

Kill the ache inside of me  
For the sake of sanity  
My amphetamines  
(Now I can't go out in the condition that I'm in)  
Kill this craving for my saving grace

Your soul is the drug  
It rolls of the tongue

It rolls off the tongue.....

Just like feeling a familiar touch a junkie just can't get enough  
a fiend I guess will always be a fiend.

Kill the ache inside of me  
For the sake of sanity  
My amphetamines  
(Now I can't go out in the condition that I'm in)  
Kill this craving for my saving grace

My Saving Grace.  
It rolls off of the tongue.
