

Amazing Transparent Man, Just What I Needed

I don't mind you coming here.
Wastin' all my time.
But when you're standin' oh so near,
I kind of lose my mind.

It's not the perfume that you wear,
It's not the ribbons in your hair.
I don't mind you comin' here
and wastin' all my time.

I don't mind you hangin' out
and talkin' in your sleep.
It doesn't matter where you've been,
as long as it was deep.

I guess you're just what i needed.
I needed someone to please.
I guess you're just what i needed.
I needed someone to bleed.

I don't mind you comin' here,
and wastin' all my time.
Cause when you're standin' oh so near,
I kind of lose my gazonkas.

It's not the perfume that you wear,
It's not the ribbons in your hair.
I don't mind you comin' here
and wastin' all my time.

I guess you're just what i needed.
I needed someone to please.
I guess you're just what i needed.
I needed someone to bleed.
