

Ambeon, Ashes

Into the heat
Swallowed into that hole
Melted down

Burned to ashes
And the ashes flew in the wind
Taken by breath
As I breathe on

Shadows in my head
When I'm too high to think
Give me my view

Burned to ashes
And the ashes flew in the wind
Taken by breath
As I breathe on

Ease my whirlwind
You thought so
These aren't your concerns
They're ours

This is not what we wanted in the first place
But it's okay
After all
It's been called
The fate of a dreamer

Burned to ashes
And the ashes flew in the wind
Taken by breath
As I breathe on

Loved by only you
It is all I allow
It has been called the fate of a dreamer
