

Amber, Can You Feel The Love

Can you feel the love I'm dreaming of oh boy
Come and take on me
Can you feel the love can't get enough oh boy
In my dreams it seems your the one for me
Come and take my hand to eternity oh boy
Can you feel the love I'm dreaming of
Can you feel my love tonight
Can you feel my love tonight

Oh the moon in summers night
Here in paradise with you by my side
We watched the ocean rowing in
Mr. Time is right
To let this love begin

Can you feel the love I'm dreaming of oh boy
Come and take on me
Can you feel the love can't get enough oh boy
In my dreams it seems your the one for me
Come and take my hand to eternity oh boy
Can you feel the love I'm dreaming of
Can you feel my love tonight
Can you feel my love tonight
Can you feel the love tonight

I have known you for so long
And this can't be wrong because it feels so strong
Now you came into my life giving me the love that I need to survive
Ohhh

Can you feel the love I'm dreaming of oh boy
Come and take on me
Can you feel the love can't get enough oh boy
In my dreams it seems your the one for me
Come and take my hand to eternity oh boy
Can you feel the love I'm dreaming of
Can you feel my love tonight

Can you feel the love I'm dreaming of oh boy
Come and take on me
Can you feel the love can't get enough oh boy
In my dreams it seems your the one for me
Come and take my hand to eternity oh boy
Can you feel the love I'm dreaming of
Can you feel my love tonight
Can you feel my love tonight
