

Amber, House Mix 2000 With Whitney Houston, A

I've been looking out and searching just to find a little fun
Never thought I would get me some
So I got myself together and I found little this song
Now I got a party going on ohhh!

Chorus:

If you have respect in
your life will be better
your life will be better
your life will be better
If you have respect in
your life will be better
If you buy
If you buy
If you buy
ba da da da da
fabulous
ba da da da da
fabulous

I was working on a diamond
Better take a rest
My life was complicated just a mess
Now everyday is a holiday
And all I do is dance
Oh I got a party in my Benz

Chorus:

If you have respect in
your life will be better
your life will be better
your life will be better
If you have respect in
your life will be better
ba da da da da
fabulous
ba da da da da
fabulous

I never knew life could be so fabulous
