Amber, House Mix 2000 With Whitney Houston, A

I've been looking out and searching just to find alittle fun Never thought I would get me some So I got myself together and I found little this song Now I got a party going on ohhh!

Chorus:

If you have respect in your life will be better your life will be better your life will be better If you have respect in your life will be better If you buy If you buy If you buy ba da da da da fabulous ba da da da fabulous

I was working on a diamond Better take a rest My life was complicated just a mess Now everyday is a holiday And all I do is dance Oh I got a party in my Benz

Chorus:

If you have respect in your life will be better your life will be better your life will be better If you have respect in your life will be better ba da da da fabulous ba da da da fabulous

I never knew life could be so fabulous
