

# Amber Pacific, For What It's Worth

I'm taking it in  
I'm holding it back  
I'm filling my lungs with the knife in my back  
But you kept going on just to make me feel like this  
Now that it's over  
I won't feel the same  
A broken frame with our picture is wasted  
I've thrown it away  
Losing sight  
You were all I had (all I can take...)  
I guess the jokes on me

We missed our chance  
I won't forget  
As time will only tell where to go  
(Time will only tell where you go)  
Though I wish that you weren't breathing  
I still just can't believe  
You're gone...

And I was looking for something  
But I came up with nothing  
Not a reason to leave or let this out  
But you kept going on  
Just to make me feel like this  
Now that it's over  
I won't feel the same  
A broken friendship was worth it  
I'll scrap any thoughts with your name  
Still I long for you to stay  
I take back anything

We missed our chance  
I won't forget  
As time will only tell where to go  
(Time will only tell where you go)  
Though I wish that you weren't breathing  
I still just can't believe  
You're gone...

We missed our chance  
I won't forget  
As time will only tell where to go  
(Time will only tell where you go)  
Though I wish that you weren't breathing  
I still just can't believe  
You're gone...

We missed our chance  
I won't forget  
As time will only tell where to go  
(Time will only tell where you go)  
Though I wish that you weren't breathing  
I still just can't believe  
You're gone...
