

Amber, Whatever

You're were in the dark
You're were in the pain
You were on your own
Living hell
Living your ghost
Living your end

Never seem to get any place
That I belong
Don't want to lose the time
Lose the time to come

Whatever you say it's all right
Whatever you do it's all good
Whatever you say it's all right
Silence is not the way
We need to talk about it
Heaven is on the way
Heaven is on the way
You were in the sea

On decline
Breaking the waves
Watching the lights go down
Letting cables sleep

Whatever you say it's all right
Whatever you do it's all good
Whatever you say it's all right
Silence is not the way
We need to talk about it
Heaven is on the way
We'll wrap the world around it
Heaven is on the way
Heaven is on the way

Whatever you say it's all right
Whatever you do it's all good
Whatever you say it's all right
Whatever you say it's all right
Whatever you do it's all good
Whatever you say it's all right
