

Amberian Dawn, River of Tuoni

Along the black death-land river

The mother runs and tries to find her son.

Searching for her lost hero she wades the river deep to her belt in mud.

Oh! Heavy-hearted am I

-Tuoni has taken my son!

Oh! Heavy-hearted am I

-Tuoni has taken my son!

Fear in her heart she calls her son,

as she rakes the Tuoni river and sees the black swan.

Now she wades the river deeper to death-lands shoals and shallows and finds her son.

Oh! Heavy-hearted am I

-Tuoni has taken my son!

Oh! Heavy-hearted am I

-Tuoni has taken my son!

Oh! Heavy-hearted am I

-Tuoni has taken my son!

Oh! Heavy-hearted am I

-Tuoni has taken my son!
