

Ambrosia, And...Somewhere I've Never Traveled

But if you can want love
You can't hide
All the memories inside

And it won't take more than you can give
Just to find a way to live
And as soon as you can look around
There's a new love to be found

And ... Somewhere I've never traveled
That's where I've been today
Somewhere beyond all reason
But it became the only way

I could find it something inside of me (I can find it)

Someplace I've always dreamed of
That's what I finally see
And when I'm there I feel love
So there I always want to be (Believe it)

Believe in myself
I have seen it
And there's a day when you'll wake
With the sun in your eyes
Hearing a voice that is calling
Within you to rise (rise)

(Overlapping vocal medley/harmony)
Someday I'll be there
Though I know not
Where I go
There I'll be
When I go

Somewhere I'd never traveled
That's where it all began
And as my dreams unravel
I long to go that way again (I am waiting)
Waiting to take you there (No more waiting)
(Off you go!)
