

Ambuscade Undeclinable, Lipsdick Fantasies

She's most likely to be the most beautiful woman in high school
Anyone can see that she is ready to point out the victim
Could it be me chosen to be an example?
My biology teacher, she likes a lot of practical science

Christina and Britney, you girls turn me on
Jennifer, Claudia and Cindy, put your wet shirts on
You all are invited to my party, we'll party all night long
May I sniff at your panties while we execute my wildest dreams?

I fantasize when I'm with you
About the other side of the sweet loving you
Spanking my butt with the sole of your shoe
You leave traces of lipstick on my dick

Still my biggest fantasy is you and me
And you and me, and you and me...
