

# Amen, Bleed To Know

Year 2000 here's the reason  
Tie me up in convalescence  
I'm a user non-chemical  
Tie me up in style suits you

I'm unwanted and I'm unneeded  
Line me up and I will believe it  
Bend over so we can use you  
Just to abuse you we're gonna use it again

I bleed to know  
Bleed to know  
On my hands and knees  
Gonna feed and sow  
Bleed to know  
Bleed to know  
These hands and knees  
Will use you again

Year 2000 and I'm still waiting  
On broken knees I am waiting  
On broken knees feed me your heart  
On broken knees tear me apart

I bleed to know  
Bleed to know  
On my hands and knees  
Gonna feed and sow  
Bleed to know  
Bleed to know  
On hands and knees  
Use you

Get down on the ground  
You wanna feed what's after  
Go down Go down

I am the wanted and I'm the needed  
Tie 'em up and let me lead 'em  
Line 'em up and fire  
Line up and fire
