

America, Ventura Highway (Deepsky's Blizzard In

Chewing on a piece of grass, walking down the road
Tell me, how long you gonna stay here, Joe?
Some people say this town don't look good in snow
You don't care, I know
Ventura highway in the sunshine
Where the days are longer
The nights are stronger than moonshine
You're gonna go I know
Wishing on a falling star, waiting for the early train
Sorry boy, but I've been hit by purple rain
Aw, come on, Joe, you can always change your name
Thanks a lot, son, just the same
Ventura highway in the sunshine
Where the days are longer
The nights are stronger than moonshine
You're gonna go I know
'Cause the free wind is blowing through your hair
And the days surround your daylight there
Seasons crying no despair
Alligator lizards in the air, in the air
'Cause the free wind is blowing through your hair
And the days surround your daylight there
Seasons crying no despair
Alligator lizards in the air, in the air
