

American Authors, Stay Around

I don't know what I would do if I was left alone to my own devices
I need to fight this
Sometimes I feel that I'm not acting right all my life
I've been acting childish
Don't mean to be like this

but I swear I am gonna take my time
and I hope that you don't change your mind
so I swear I am gonna take my time
I know it's hard to find someone like you
I don't wanna let down

I hope you stay around
stay around
I hope you stay around
I hope you stay around
stay around
when you see me at my worst
my, my, my worst
I hope you stay around
stay around
I hope you stay around

sometimes I put up a wall to protect how I feel
when I fear the darkness
my heart is guarded
lighting y fuse is so ese y to do
no excuse
I make it harder
for that I am sorry

coz I swear I am gonna take my time
and I hope that you don't change your mind
I hope you stay around
stay around
I hope you stay around
I hope you stay around
stay around
when you see me at my worst
my, my, my worst
I hope you stay around
stay around
I hope you stay around

tell me that its all ok.
keep me from digging my won grave
tell me its's ok
caus I know it's hard to find someone like you
I don't wanna let down

I hope you stay around
stay around
I hope you stay around
I hope you stay around
stay around
when you see me at my worst
my, my, my worst
I hope you stay around
stay around
I hope you stay around
