Methadone Baby

Stuck out, strung out
Broken down, but you don't cry
You have a T.V. set
And your mother's money
Criticized and sympathized
Walking down a lonely mile
Oh, Methadone Baby
Just when you think you've got it worked out
You fall back down
Searchin' for a savior but you don't
Care about yourself
Last shot baby, you don't stop
One time back and you're mine

(Repeat)

Tragic, static
Nothings wrong, but what's right
Hangin' on a corner for saviors
Moneys gone, I'm shattered & torn
Walkin' down a lonely mile
Oh, Methadone Baby
Just when you think you've got it worked out
You fall back down
Looking for a savior but you don't
Care about yourself
Last shot baby, you don't stop
One time back and you're mine
I'm watching you die
Well you got what you deserve
And I smile when I think about it
What you deserve and I smile when I
Think about it
Just when you think you've got it worked out
You fall back down
Looking for a savior but you don't
Care about yourself, about yourself
