

# American Idol, 8th World Wonder

Woke up early this morning  
Made my coffee like I always do  
When it hit me from nowhere  
Everything I feel about me and you  
The way you kiss me crazy  
Baby you're so amazing

7 days and 7 nights of thunder  
The water's rising  
and I'm slipping in under  
I think I fell in love  
with the 8th world wonder

I guess that I'm just fallen  
Deeper into something I've never known  
Yeah, but the way that I'm feeling  
Makes me realize that it can't be wrong  
Your love's like a summer rain  
Washing my doubts away

7 days and 7 nights of thunder  
The water's rising  
and I'm slipping under  
I think I fell in love  
with the 8th world wonder

It's only been a week  
but it's coming over me  
It's making me believe that  
You're the one for me

7 days and 7 nights of thunder  
The water's rising  
and I'm slipping under  
I think I fell in love  
with the 8th world wonder

7 days and 7 nights of thunder  
The water's rising  
and I'm slipping under  
I think I fell in love  
with the 8th world wonder

7 days and 7 nights of thunder  
The water's rising  
and I'm slipping under  
I think I fell in love  
with the 8th world wonder

7 days and 7 nights of thunder  
The water's rising  
and I'm slipping under  
I think I fell in love  
with the 8th world wonder yeahhh
