

American Idol, A Night To Remember

When you love someone it's natural not demanding
And that's one thing I'm proud to say I found in you
I'm so glad we reached an understanding
Now I know my heart is safe with you

So now my love to you baby I surrender
Get ready, tonight
Gonna make this a night to remember
Get ready, tonight, darling
Gonna make this a night to remember

Celebration in my heart could stay united
And there's nothing in this world could to come between me and you
We're together and it keeps me so excited
To think the world, the power of love can do

So now I'm filled with love that's so so tender
Get ready, tonight This night you won't forget
Gonna make this a night to remember Everybody better get..
Get ready, tonight You'r love I won't regret
Gonna make this a night to remember

Tonight-Tonight
