

# American Idol, Breaking Up Is Hard To Do

You tell me that you're leaving  
I can't believe its true  
Girl there's just no living without you

Don't take your love  
Away from me  
Don't leave my heart  
In misery  
If you go then I'll be blue  
Cuz breaking up is hard to do

I beg of you  
Don't say goodbye  
Can't we give are love  
Just one more try  
Come on baby  
Let's Start anew  
Cuz breaking up is hard to do

Breaking up is hard to do
