

American Idol, Breathe

I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight drag across your face and I know
I've never been this swept away

Chorus

'cause I can feel u breathe
watching over me
suddenly I'm melting into you
there nothing left to prove
baby all you need is just to be
caught up in the touch
slow and steady rush
baby isn't that the way that loves supposed to be..
I can feel you breathe

JUST BREATHE
JUST BREATHE
Just breathe....
