

# American Idol, Clay Aiken - On The Wings Of Love

Just smile for me and let the day begin  
You are the sunlight that lights my heart within  
And I'm sure that you're an angel in disguise  
Come take my hand and together we will ride

Chorus

On the wings of love up and above the clouds  
The only way to fly is on the wings of love  
On the wings of love only the two of us together flying high  
Flying high up on the wings of love

You look at me and I begin to melt  
Just like the snow when the rays of sun is felt  
I'm crazy about you baby cant you see  
I'd be so delighted if you would come with me

Chorus

Yes you belong to me  
I'm yours exclusively  
Right now we live and breathe together  
Inseparable it seems  
We're flowing like a stream  
We're traveling on the wings of love

Chorus

Up and above the clouds  
The only way to fly  
Is flying high up on the wings of love  
Only the two of us together flying high
