

American Idol, Don't Let The Sun Go Down On Me

I can't light no more of your darkness

Closed the door and left me blinded by the light

Don't let the sun go down on me
Although I search myself, it's always someone else I see
I'd just allow a fragment of your life to wander free
But losing everything is like the sun going down on me

I can't find the right romantic line
But see me once and see the way I feel
Don't discard me just because you think I mean you harm
But these cuts I have they need love to help them heal
