

# American Idol, Guest Judge Medley

Let's groove tonight  
share the spice of life  
baby slice it right  
we're gonna groove tonight

Let this groove, get you to move,  
it's alright, alright, alright  
let this groove, set in your shoes, You will find peace of mind on the floor  
Take a little time, come and see, you and me  
give a little sign, I'll be there after a while  
if you want my love

We can boogie on down, down  
Boogie on down, down  
We boogie on down, down  
We boogie on down, on down  
ba,ba,ba,ba,etc.

Ooh baby love, my baby love  
I need you, oh how I need you  
But all you do is treat me bad  
Break my heart and leave me sad  
Tell me what did I do wrong  
To make you stay away so long

Don't throw our love away  
Please don't do me this way  
Not happy like I used to be  
Loneliness has got the best of me  
My love, my baby love

Now if there's a smile on my face  
It's only there trying to fool the public  
But when it comes down to fooling you  
Now honey that's quite a different subject  
But don't let my glad expression  
Give you the wrong impression  
Really I'm sad, oh I'm sadder than sad  
You're gone and I'm hurtin' so bad  
Like a clown I pretend to be glad

Now there's some sad things known to man  
But ain't too much sadder than  
The tears of a clown, when there's no one around

LA proved too much for the man  
He couldn't make it, so he's leaving a life he's come to know  
He said he's going back to find what's left of his world  
The world he left behind not so long ago

He's leaving on that midnight train to Georgia  
Said he's going back to find a simpler place and time  
I'll be with him on that midnight train to Georgia  
I'd rather live in his world, than live without him in mine

Talk in everlasting words  
And dedicate them all to me  
And I will give you all my life  
I'm here if you should call to me

You think that I don't even mean  
A single word I say  
It's only words and words are all I have  
To take your heart away

I'm saying all the things that I know you'll like  
Making good conversation  
I gotta handle you just right  
You know what I mean  
I took you to an intimate restaurant  
Then to a suggestive movie  
There's nothing left to talk about  
Unless it's horizontally

Let's get physical, physical  
I wanna get physical  
Let's get into physical  
Let me hear your body talk, your body talk  
Let me hear your body talk

That's when the music takes me  
Takes to a brighter day  
That's when the music takes me  
Helpin' me to find my way

When the day is so long that I can't hold on  
When I'm down and I think my hope is gone  
Oooh, Yeah,  
That's when the music takes me  
Closer to a brighter daaaay  
I can feel my soul explodin'  
There's a good feelin'  
Helpin' me to find my waaay  
My, my, my way

That's when the music takes me  
Takes to a brighter day  
That's when the music takes me  
Helpin' me to find my wayHappy, happy, happy day  
Happy, happy, happy day  
Happy, happy, happy day  
(That's when the music takes me)  
(That's when the music takes me)  
(That's when the music takes me)  
(And that's when the music takes me)  
Helpin' me to find my waayyy

I've been alone with you inside my mind  
And in my dreams I've kissed your lips a thousand times  
I sometimes see you pass outside my door  
Hello, is it me you're looking for?

I can see it in your eyes  
I can see it in your smile  
You're all I've ever wanted, (and) my arms are open wide  
'Cause you know just what to say  
And you know just what to do  
And I want to tell you so much, I love you ...  
Hellooooo

When it feels like the world is on your shoulders  
and all of the madness has got you goin crazy  
I know a place where we can dance the whole night away  
underneath the electric stars  
Just come with me and we can shake your blues right away  
You'll be doin fine once the music starts...Oh!

Feel the beat of the rhythm of the night  
dance until the morning light

Forget about the worries on your mind  
we can leave them all behind  
Feel the beat of the rhythm of the night..  
oohh the rhythm of the night...ooohh yeah

Repeat
