AMERICAN IDOL

I've got you, under my skin.  
i've got you, deep in the heart of me  
so deep in my heart  
that you're really a part of me  
i've got you under my skin.

I've tried so, not to give in.  
I've said to myself this affair  
would never go so well  
but why should i try to resist  
when baby i know damn well  
i've got you under my skin.

I'd sacrifice anything come what may  
for the sake of having you near  
in spite of a warning voice  
that come's in the night  
and repeats how it yells in my ear.

Dont you know you fool  
you never can win  
use your mentality  
wake up to reality  
but each time i do just the thought of you makes me stop  
before i begin  
cuz i've got you  
under my skin  
and i like you  
under my skin.
