

American Idol, In Your Dreams-Steven Michael H

Sometimes I try to tell you
By the same how much I love
You and the way you touched
My hand, you always do it again

I don't know how it is...to be a better boy
I don't what it takes...to make my dream
Come true

Chorus:
In your dreams..in your dreams..you never know what
Happened to me. Oh baby you will never find my way
When you are gonna stay home but if you make the day
Until I get away...until I get away

Everytime I look you in the eye
You always walk away and never
Come back but I don't care that
You aren't here to stay with me

Oh, I don't know how it is..to be a better boy
Oh, I don't know how it takes.. to make my dream
Come true, come true, come truuue (yeah)
