Let this groove, get you to move,
it's alright, alright, alright
let this groove, set in your shoes,
so stand up, alright, alright

Gonna tell you what you can do,
with my love, alright
Let you know girl you're looking good
you're out of sight, alright

just move yourself and glide like a 747
and loose yourself in the sky among the clouds in the heavens cause

Let this groove, light up your fuse, its alright, alright, alright
Let this groove, set in your shoes so stand up alright, alright

Let me tell you what you can do
with my love, alright

Gotta let you know girl you're looking good
you're out of sight, alright

Just tell the DJ to play your favorite tune
then you know it's okay
What you found is hapenen' now

Let this groove, light up your fuse, its alright, alright, alright
Let this groove set in your shoes, so stand up, alright, alright
Let this groove, get you to move, its alright, alright, alright
Let this groove set in your shoes, so stand up, alright, alright

You will find peace of mind on the floor
Take a little time, come and see, you and me
give a little sign, I'll be there after a while
if you want my love
