

American Idol, Music Of My Heart (John Stevens)

You'll never know
What you've done for me
What your faith in me
Has done for my soul

You'll never know
The gift till you've given me
Carry you with me

Through the days I had I think of what I've been
And all the one who knew me better
Anyone ever will again

You taught me to run
You taught me to fly
Help me the freedom inside
Help me hear the music of my heart
Help me hear the music of my heart

You open my eyes
You open the door
To something I've never known before
And your love is the music of my heart

Everywhere I go and everywhere I've been
You were the one who knew me better
Than anyone ever will again

You taught me to run
You taught me to fly
Help me the freedom inside
Help me hear the music of my heart
(ooh of my heart)
Help me hear the music of my heart
(my heart)

You open my eyes
You open the door
(You open the door)
To something I've never known before
(Known before)
And your love is the music of my heart
Is the music of my heart
