

American Idol, On The Wings Of Love - Clay Aiken

Just smile for me and let the day begin
You are the sunlight that lights my heart within
I'm sure that you're an angel in disguise
Come take my hand and together we will rise
On the wings of love up and above the clouds
The only way to fly is on the wings of love
On the wings of love only the two of us
Together flying high
Flying high upon the wings of love
You look at me and I begin to melt
Just like the snow when the ray of sun is felt
I'm crazy bout ya baby can't you see
I'd be so delighted if you could come with me
On the wings of love up and above the clouds
The only way to fly is on the wings of love
On the wings of love only the two of us
Together flying high
Flying high up on the wings of love
Yes you belong to me
I'm yours exclusively
Right now we live and breathe
Each other indispensable it seems,
We're flowing like a stream
Running free flowing on the wings of love
On the wings of love up and above the clouds
The only way to fly is on the wings of love
On the wings of love only the two of us
Together flying high
Together flying high
On the wings of love up and above the clouds
The only way to fly is on the wings of love
On the wings of love
Only the two of us together flying high
Together flying high
Upon the wings of love
