

American Idol, Piece Of My Heart

Come on, come on, come on, come on

Didn't I make you feel like you were the only man, yeah
Didn't I give you nearly every single thing that a woman possibly can
Each time I tell myself that I, I've had enough
But I gonna show you baby that a woman can be tough

So come on, come on, come on, come on,
And take it, take another little piece of my heart now baby
Break it, break another little bit of my heart now darling, yeah
Have it, have another little piece of my heart now baby
You know you got it, If it makes you feel good, yes indeed

You out on a street lookin good
Baby deep down in your heart I guess you know that it ain't right
Never, never, never, never, never hear me when I cry
And baby I cry all the time
But each time I tell myself that I can't stand the pain
That's when you hold me in your arms
And I'm singing once again

So come on, come on, come on, come on
And take it, take another little piece of my heart on baby
Break it, break another little bit of my heart now darling yeah
Have it, have another little piece of my heart now baby
'Cause you know you got it
Sept it makes you feel good

Each time I tell myself that I can't stand the pain
You hold me in your arms and I'm singing once again

Said come on, come on, come on, come on
And take it, take another little piece of my heart now baby
Break it, break another little bit of my heart now baby yeah
Have it, have another little piece of my heart now baby
'Cause you know you got it, whoawwwwww

Take it, take another little piece of my heart now baby
Break it, break another little bit of my heart now darling yeah
