

# American Idol, Ruben Studdard - Superstar

Long ago  
And oh so far away  
I fell in love with you  
Before the second show  
And you're guitar  
And you sound so sweet and clear  
But your not really here  
It's just the radio  
Don't you remember you told me you loved me baby  
You said you'd be coming back this way again  
Baby baby baby baby ohh baby  
I love you  
I really do  
Loneliness  
Is such a sad affair  
Sad affair  
And I can hardly wait  
Oh baby no I cant  
To be with you again  
And what to say  
To say  
To make you come again  
Oh honey  
Come on back to me again yeah  
I wanna be  
I wanna be anywhere you are, oh  
Don't you remember you told me you love me baby  
You said you'd be coming back this way again baby  
Baby baby  
Baby baby baby baby oh baby  
I love you oh baby  
Don't you remember you told me you love me baby  
You said you'd be coming back this way again  
Baby baby baby oh baby  
I love you  
I really do
