

American Idol, She Believes In Me - Jon Peter Le

While she lays sleeping
I stay out late at night and I sing my songs
Sometimes all the nights can seem so long
And it's good when I finally make it home
All alone, while she lays dreaming

And she believes in me
I'll never know just what she sees in me
I told her someday if she was my girl
I could change the world with my little songs
I was wrong

But she has faith in me
And so I go on trying faithfully
Who knows, maybe on some special night
If my song was right
I could find a way
While she waits
While she waits for me
