

American Idol, Smile

Smile though your heart is aching
Smile even though its breaking
When there are clouds in the sky you get by
If you smile through your fear and sorrow
Smile and maybe tommorow
You'll see the sunlight come shining through for you

Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you just keep on trying
Smile what the use of crying
You'll see that life is still worthwhile
If you just smile, smile, ohh smile
