

American Idol, Somebody's Watching Me- Ai3 To

I'm just an average girl,
With just an average life.
I work from 9 to 5,
Hey well I pay the price!
All I want is to be left alone,
In my average home.
But why do I always feel,
Like I'm in the twilight zone and...

I always feel like,
Sombodys watchin me.
And I have no privacy.
Ohhhh
I always feel like,
Sombodys watching me.
Tell me is it just a dream.
Ohhh
I always feel like,
Sombodys watching me.
Who's playin' tricks on me!
