

American Idol, The Scooter Song

I'm a scooter girl
I've got streamers
And a sassy basket friend
On my scooter, yeah,
You know I can depend
Taking me to school
Or to the grocery store
I can buy me a car
But hunny, what for?
I'm a scooter girl
Break it down let me sing
Scooter scooter mo mooter
Fa naa na fanna fo footer
Me my mo mooter
Scooter!!!
Scooter!
