

# American Idol, Tiara Purifoy- Dance With Somebody

Clock Strikes upon the hour  
& the sun begins to fade  
Still enough time to figure out  
How to chase my blues away

I've done alright up til now  
Its the light of day that shows me how  
When the night falls  
My loneliness calls

Oh, I wanna dance with Somebody  
I wanna feel the heat with Somebody  
Yea, I wanna dance with Somebody  
uh-huh with Somebody who loves me.

Whoa,  
I wanna feel the heat  
Yea, I wanna Dance with Somebody  
Uh-Huh, With Somebody Who Loves Me

Don't you wanna dance, uh-huh with me baby  
Don't you wanna dance, uh-huh with me boy  
With Somebody Who Loves Me!
