

American Idol, To Dare To Dream Impossible Dream

To dream the impossible dream
to fight the unbeatable foe,
To bear with unbearable sorrow
to run where brave dare not go.

To right the unrightable wrong,
And to learned were chaste from afar
To try when your arms are too weary,
to reach the unreachable star!

This is my quest, to follow that star,
No matter how hopeless, no matter how far,
To fight for the right without question or pause
to be willing to march into hell for a heavenly cause!

And I know, If I'll only be true
to this glorious quest
That my heart will lie peaceful and calm
When I'm laid to my rest

And the world will be better for this
That one man scorned and covered with scars,
Still strove with his last ounce of courage
