

American Idol, You're All I Need (Jasmine Trias)

Hoo..

You're all I need to get by

Like the sweet morning dew
I took one look at you
And it was plain to see
You were my destiny

I will go where you lead
Always there in time of need
And when I lose my will
You'll be there to push me up the hill

There's no, no looking back for us
We got love sure 'nough, it's enough
You're all
You're all I want to strive for and do a little more
You're all the joys under the sun wrapped into one

You're all
You're all I need
You're all I need yeah..
You're all I need
To get by hoo..
All I need to get by
