

American Juniors, Emotional

(Danielle)

I don't need a heartache
And crushes can be so fake
But Sooner than you know it
They turn your world around

(Lucy)

So You might think I'm crazy
Oh baby you amaze me
and i want you to promise
you'll never let me down

I, I wanna fall in love
You're everything that makes me get emotional
Oh, I don't want to kiss and run
cuz in my heart i know that you're the one

(Lucy)

I kind of like your sweet talk
And that could make a good start
But if you wanna move me
play it straight with my heart

Oh

[Repeat Chorus]

I think that you and me
Are truly meant to be
cuz ive been waiting for a star to fall
I wish for someone true
And now i look at you
I get emotional

Danielle
so emtional

(3 times)
Oh oo Oh
Emotional

So emtional

(Reapeat Chorus)

I know that your the one
