

# American Juniors, Rock With You

Girl close your eyes let that rhythm get into you  
don't try to fight it there ain't nothin' that you can do  
relax your mind lay back and groove with time

You gotta feel that heat and we can ride the booga  
share the beat of love

I wanna rock with you (all night)  
dance you into the (sun light)  
I wanna rock with you (all night)  
rock the night away

Just take it slow we got some fun to go  
you gotta feel that heat and we can ride the booga  
share that beat of love

I wanna rock with you (all night)  
dance you into the (sun light)  
I wanna rock with you (all night)  
gotta rock the night away

and when that groove is dead and gone  
come on baby  
we gotta love so fine  
and we can rock forever

I wanna rock with you all night

Yah!
